

# A Year in the Life

Your sweet bundle of joy will change more in the first year than at any other time in their life. **A Year In The Life** is a wonderful portrait program that provides you with lasting memories of those many changes.

**A Year In The Life** starts with 6 portrait sessions: one at each of the milestones of your baby's first year. The cost of the sessions is included in your membership.

**Session 1: Show off that Tummy!** Capture the beauty and wonder of life's greatest gift. AYITL begins with a maternity session (usually done during the 7th or 8th month).

**Session 2: Tiny Fingers...Tiny Toes** The newborn session is the perfect time for amazing close ups of your beautiful baby and those little hands and feet (usually done between one week and one month old).

**Session 3: Giggles and Grins** Now your baby is smiling and cooing and can hold up their head while lying on their tummy (around 3-4 months).

**Session 4: Peek-a-Boo** It's hard to believe, but they are sitting up on their own, playing peek-a-boo and teething (around 6-7 months).

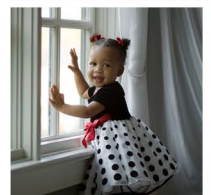

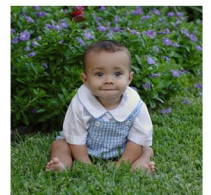

**Session 5: The Movers and Shakers** Now they are crawling and can even stand up while holding on to something (around 9-10 months).

**Session 6: Happy Birthday, and ... they're off!** Their first birthday and they're walking -- two of the biggest milestones of your baby's first year.

At the end of the **A Year In The Life** program, you will receive a complimentary **10x20 Framed Composite** which includes your favorite pose from each session.

We also offer a beautiful leather portrait album engraved with your child's name. This portrait album accommodates 8x8s, 8x10s and 10x10s and is available in a variety of colors. These albums are expandable, so you may include as many portraits from each portrait session as your heart desires. As a member of **A Year In The Life**, you may add this beautiful portrait album to your membership.

As a member of **A Year In The Life**, we want you to continue your portrait experience after your baby turns one. We encourage you to enroll in our annual portrait **Birthday Club** for children ages 1-6 years.
